DOUGLAS B. METCALFE ANNOUNCES CANDIDACY FOR PENNSYLVANIA STATE REPRESENTATIVE IN THE 128TH DISTRICT

Strong Voice. Active Leadership. Effective Results.

Robeson Township, PA, September 14, 2017– Douglas Metcalfe announced his candidacy for the 128th Pennsylvania House of Representatives District today. Metcalfe says he will bring his proven leadership skills and outspoken advocacy to Harrisburg to serve all the residents in the 128th District.

“I believe the residents of the 128th District need a results-oriented leader in Harrisburg! I am committed to improving the economic prosperity for all Pennsylvanians by creating family sustaining jobs, championing education, fixing our infrastructure and reducing the tax burden on working families and seniors.”

Pennsylvania is known for having one of the largest, most expensive and least effective State Legislatures in the country. Metcalfe plans to change that by holding our elected representatives accountable. His aim is to reform government so that it works for the people, while sponsoring legislation that helps all Pennsylvanians.

“I will work to pass legislation that supports working families, senior citizens and small businesses while reducing the size and cost of government. It’s time for a change in Harrisburg.”

The 128th District includes portions of Berks County and Lancaster County.

Metcalfe is a former Healthcare Executive and Non-profit Manager. He currently serves as an elected School Director in the Twin Valley School District. He resides in Robeson Township.
